This is the Dogpro working dog biscuits for Barcardine, Longreach, and Thomson River (Ilfracombe) Trials. Tony Jackson and Sharon Dungey.

This year has seen some trials struggle to get sheep which is a shame for our sport, but very understandable as we see some parts of the country struggle with drought. Was good to see the Western Run well supported again this year with quite a few NSW triallers coming up.

Barcardine Trial was held at Camara - Winton

Tara Sheep Dog Trial held every Easter Weekend is always well supported by triallers. Triallers and their families travel to this trial as you can always be guaranteed a great time. Special award: The Eddie Davies Memorial Trophy for CLD in the open was won by Michael Walsh – Woolmar Boy.

Tara winners and placegetters with Judges

QWSDAI thanks Dogpro for their sponsorship of sheep dog trials held in Queensland.
